Benefits of Satsang

Sri Swami Sivananda

Satsang will remove the darkness of your mind and fill it with wisdom. It will teach you not to get attached to worldly things. Regular attendance at Satsang will force you to lead a pure and divine life. It will remove all the clouds of your mind. It will enable you to take refuge in God. It will give you strength when your faith begins to falter. There is nothing so inspiring, elevating, solacing and delightful as Satsang. Even a sinner has hope through Satsang to get purified and changed into a saintly person of good character. Satsang has the power of changing evil into good. It has the power to instil faith in devotees.
